I volunteer because I've met so many other awesome alumni who give so much—an inspiring group that I want to be a part of and work shoulder to shoulder with. I'm so grateful to be part of such a fantastic family!

UNIQUE VOLUNTEER COUNTS BY FISCAL YEAR

Keeping a live connection with the school beyond graduation is why I volunteer. Serving on both the GPS Alumni Board, and as an officer on the UC San Diego Korea Club, allows me to give back to GPS as well as the larger UC San Diego community in many ways, especially while I am overseas. Volunteering keeps me close to this amazing community, wherever I am in the world.
